

VillageTaste Foods – Traditional Food Catalog

About Us

VillageTaste Foods is a small Indian village-based food business that specializes in preparing homemade traditional foods using authentic recipes passed down through generations. Our products are prepared using fresh ingredients, traditional spices, and village-style cooking methods. We focus on maintaining natural taste, hygiene, and quality in every product.

Our mission is to deliver healthy and traditional Indian food products to families who love homemade flavors and authentic village-style recipes.

Traditional Pickles Collection

Mango Pickle

Our mango pickle is prepared using raw mangoes, mustard oil, red chili powder, turmeric, fenugreek seeds, and traditional Indian spices. The pickle is aged naturally for better flavor and texture.

Features:

- Homemade preparation
- Traditional Gujarati village recipe
- No artificial preservatives
- Medium spicy taste
- Long shelf life

Packaging:

- 250g jar
- 500g jar
- 1kg family pack

Shelf Life:

Best consumed within 8 months when stored in a cool and dry place.

Lemon Pickle

Prepared using fresh lemons and natural spices, our lemon pickle has a balanced spicy and tangy flavor. It is suitable for daily meals and can be served with parathas, rice, and khichdi.

Ingredients:

- Fresh lemons
- Salt

- Turmeric
- Chili powder
- Fenugreek
- Mustard seeds

Storage Instructions:

Always use a dry spoon while serving to maintain freshness.

Garlic Pickle

Garlic pickle is one of our spicy and flavorful products prepared using peeled garlic cloves and blended traditional masalas. It is highly popular among customers who enjoy spicy food with roti and rice dishes.

Features:

- Rich garlic flavor
- Medium to high spice level
- Traditional oil-based preservation
- Suitable with lunch and dinner meals

Mixed Vegetable Pickle

This pickle contains carrot, mango, chili, lemon, and seasonal vegetables mixed with homemade spices and mustard oil. It offers multiple flavors in one product.

Best Served With:

- Thepla
- Paratha
- Khichdi
- Rice meals

Traditional Snacks

Masala Khakhra

Masala Khakhra is a crispy roasted snack made from whole wheat flour and traditional Indian spices. It is suitable for tea-time snacks and light breakfasts.

Benefits:

- Light and crispy
- Low oil preparation
- Rich in fiber
- Easy to digest

Available Flavors:

- Plain Masala
- Jeera
- Methi
- Garlic

Handcrafted Chakli

Our handcrafted chakli is made using rice flour, gram flour, sesame seeds, and traditional spices. It is prepared in small batches to maintain freshness and taste.

Best Served With:

- Tea
- Coffee
- Evening snacks

Shelf Life:

45 days after packaging.

Traditional Sev

Traditional sev is prepared using gram flour and mild spices. It can be consumed directly as a snack or used in dishes like poha and sev tameta.

Available Variants:

- Plain Sev
- Tikha Sev
- Ratlami Sev

Mathri

Mathri is a crispy flaky snack prepared using wheat flour, ajwain, and ghee. It is suitable for travel and tea-time consumption.

Storage:

Can remain fresh for up to 40 days when stored properly.

Bhakarwadi

Bhakarwadi is a spicy and sweet rolled snack filled with coconut, sesame, and masala mixture. It is highly popular during festivals and family gatherings.

Traditional Sweets

Village Style Besan Ladoo

Prepared using pure ghee, roasted gram flour, dry fruits, and natural sugar. Our besan ladoos are soft, flavorful, and handmade.

Ingredients:

- Gram flour
- Pure desi ghee
- Cardamom
- Almonds
- Cashews

Packaging:

- 250g
- 500g
- Festival gift packs

Jaggery Chikki

Jaggery Chikki is prepared using roasted peanuts and natural jaggery. It is rich in energy and widely consumed during winter seasons.

Health Benefits:

- Natural energy source
- Rich in iron
- Traditional winter snack

Dry Fruit Barfi

Dry Fruit Barfi contains almonds, pistachios, cashews, dates, and pure ghee. It is commonly purchased during festivals and gifting occasions.

Coconut Ladoo

Prepared using grated coconut, milk, sugar, and cardamom powder. Coconut ladoos are soft, sweet, and loved by children.

Lunch and Dinner Products

Ready-to-Cook Khichdi Mix

Our khichdi mix contains rice, lentils, turmeric, cumin, and dehydrated vegetables. Customers can prepare healthy khichdi within 15 minutes.

Preparation Time:
15–20 minutes

Suitable For:

- Elderly people
- Children
- Healthy diet meals

Traditional Thepla Pack

Soft Gujarati-style theplas prepared using wheat flour, fenugreek leaves, and mild spices.

Best Paired With:

- Pickles
- Curd
- Tea

Travel Friendly:

Suitable for short-distance travel and office lunch boxes.

Village Masala Rice Mix

This ready-to-cook masala rice mix contains dehydrated vegetables, Indian spices, rice, and herbs. It helps customers prepare flavorful rice quickly.

Spice Products
